Below is R4's proposed response to Politico and Bloomberg. OW is on this email thread as well.

Ex. 5 Deliberative Process (DP)

Also, here is a quick response to the questions from Politico:

Q: The notice references an Aug 27 memo from David Ross. Can you tell me if this undated memo is that one? https://www.epa.gov/sites/production/files/2020-08/documents/esa_consultation_policy_for_404g.pdf

Q: Also, can you tell me the timeline for both the ESA consultation and the 404 request decision?

Thanks Angela. We can coordinate with OW on a response. An extension would be good.

Hi all, I see that Florida's request for assumption is in tomorrow's Federal Register. I also see that EPA has flipped its interpretation of whether ESA consultation is required for this step. The notice references an Aug 27 memo from David Ross. Can you tell me if this undated memo is that one? https://www.epa.gov/sites/production/files/2020-08/documents/esa_consultation_policy_for_404g.pdf

Also, can you tell me the timeline for both the ESA consultation and the 404 request decision?
